25 October 2016

Dear Shareholder

### **Notice of Annual General Meeting**

Thor Mining plc ("Thor" or "the Company") is pleased to invite you to its annual general meeting to be held at the offices of Grant Thornton UK LLP, 30 Finsbury Square, London EC2P 2YU, United Kingdom on 24 November 2016 at 10.00 a.m. (London time) for the purpose of considering and, if thought fit, passing the resolutions contained in the notice.

In addition to the usual resolutions which are considered at an annual general meeting I would like to draw your attention to Resolutions 7 to 12. Resolutions 7 to 12 seek shareholder approval for the issue of the Ordinary Shares to directors in lieu of cash remuneration.

None of the directors of the Company have been paid any part of their approved remuneration of A\$40,000 per annum since the issue of shares in lieu of cash remuneration approved at the last Annual General Meeting in November 2015. As a means of conserving the Company's cash reserves, all the Directors including myself, have again agreed to waive our right to cash remuneration over the period 1<sup>st</sup> October 2015 to 30<sup>th</sup> September 2016 (inclusive), in substitution for ordinary shares of 0.01p each in the capital of the Company ("Ordinary Shares") at a price of A\$0.000418 (0.0418 cents) per Ordinary Share.

Resolutions 6, 16 and 18 provide the directors with the appropriate authorities, respectively, to issue shares and dis-apply pre-emption rights for existing shareholders and it is the normal procedure for such authority to be renewed at the annual general meeting. The figures inserted at Resolutions 6, 16 and 18 take account of the number of shares which are proposed to be issued and the number of shares the Company may seek to issue throughout the year until the next annual general meeting.

Resolutions 6, 16 and 18 are a requirement under English company law.

I would also like to draw your attention to Resolutions 13, 14 and 15 which collectively comprise a "Capital Reorganisation". The Company has a large number of Securities on issue due to historical equity-based capital raisings and corporate transactions. The Capital Reorganisation seeks to address the number of Securities the Company has on issue which is disproportionate to the Company's exploration peers. Resolution 14 seeks to reduce the number of Securities by way of a consolidation on the basis of 25 pre consolidated securities consolidated into one Security post consolidation. Resolution 13 is proposed to be effective immediately prior to the consolidation, to ensure that post consolidation the nominal value of the Company's ordinary shares remains at its existing amount of 0.01p. Resolution 15 seeks shareholder approval to make the necessary amendments to the Company's Articles of Association to give effect to Resolution 13.

Thor's directors believe that all of the resolutions are in the best interests of the Company and recommend that shareholders vote in favour of the resolutions at the Annual General Meeting, as the directors intend to do in respect of their own holdings of 868,834,085 Shares representing 11.61% per cent of the Company's issued share capital (to the extent they are not excluded from voting).

The Notes to the Notice of Annual General Meeting contain further detail explaining the resolutions.

Yours faithfully

Michael Billing  
Executive Chairman

Pursuant to Regulation 41 of The Uncertificated Securities Regulations 2001 and paragraph 18(c) of The Companies Act 2006 (Consequential Amendments) (Uncertificated Securities) Order 2009, the Company specifies that only those members registered on the Company's register of members 48 hours before the time of the Meeting shall be entitled to attend and vote at the Meeting.

### **Appointment of proxies**

2. If you are a member of the Company at the time set out in note 1 above, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the meeting and you should have received a proxy form with this notice of meeting. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.
3. A proxy does not need to be a member of the Company but must attend the meeting to represent you. Details of how to appoint the Chairman of the meeting or another person as your proxy using the proxy form are set out in the notes to the proxy form. If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.
4. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please contact the Company at Computershare Investor Services in the UK (Refer Page 8).
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

### **Appointment of proxy using hard copy proxy form**

6. The notes to the proxy form explain how to direct your proxy to vote on each resolution or withhold their vote.

To appoint a proxy using the proxy form, the form must be:

- completed and signed;
- sent or delivered to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY; and
- received by the Company Secretary no later than 10.00 a.m. (London time) on 22 November 2016, or 48 hours before the time of any adjourned meeting.

In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

### **Appointment of proxy electronically**

7. As an alternative to completing the hard-copy proxy form, shareholders can vote and appoint a proxy electronically by going to the following website [www.investorcentre.co.uk/eproxy](http://www.investorcentre.co.uk/eproxy). You will be asked to enter the Control Number, the Shareholder Reference Number (SRN) and PIN as provided on your proxy card and agree to certain terms and conditions. For an electronic proxy to be valid, your appointment must be received by Computershare no later than 10.00 a.m. (London time) on 22 November 2016, or 48 hours before the time of any adjourned meeting (without taking into account any part of a day that is not a working day).

### **Appointment of proxy by joint members**

9. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

### **Changing proxy instructions**

10. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the Cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Computershare Investor Services in the UK (Refer Page 8).

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

### **Termination of proxy appointments**

11. In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to the Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY.

In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

In either case, the revocation notice must be received by the Company Secretary no later than 48 hours (excluding non-business days) prior to the meeting.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

Appointment of a proxy does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.

## Notes to Resolutions 7 to 12

15. The Company seeks approval under ASX Listing Rule 10.11 in respect of the issue of Shares to CHESS, to be beneficially held by the Directors and former Directors, or their respective nominees (in the case of Resolutions 7 to 11 inclusive, the Shares are to be issued to CHESS Depository Nominees Pty Ltd, and held by the Directors, former Directors or their nominees in the form of CDIs) (**Remuneration Shares**).
16. ASX Listing Rule 10.11 requires that Shareholder approval be obtained where an entity issues, or agrees to issue, Equity Securities to a related party (which includes a director of the Company), or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained, unless an exception in ASX Listing Rule 10.12 applies. The Remuneration Shares are Equity Securities and the issue of Remuneration Shares to a Director and former Directors (or their nominee) requires Shareholder approval under ASX Listing Rule 10.11 on the basis that the Directors are related parties of the Company, and the former Directors were related parties of the Company at the time of earning the relevant Director's fees and remain so for a period of 6 months following their cessation as Director.
17. The Remuneration Shares are being issued to the Directors, and former Directors, or their respective nominees in lieu of cash payment for accrued directors' fees for the period 1 October 2015 to 30 September 2016 (inclusive), or a part of that twelve month period where Directors have resigned or have been appointed during that period. In the case of Mr Durack who resigned in March 2016, his directors' fees cover a six month period. In the case of Mr Heddle who was appointed late July 2016, his directors' fees cover a two month period. As Messrs Ashton and Ireland resigned during the month of September 2016, their accrued directors' fees represent the full 12 month period through to 30 September 2016.
18. The Remuneration Shares to be issued to each Director or former Director (or their nominees) will be issued at a deemed issue price of AUD0.000418 (0.0418 cents), being the one month VWAP for AIM traded Shares through to 10 October 2016 of £0.000256, converted to AUD at the exchange rate of 0.6119 at 10 October 2016.
19. The Board considers the issue of Remuneration Shares to be reasonable, and allows the Company to secure and maintain the engagement of high calibre professionals whilst maintaining cash reserves.
20. The amount owed to each Director or former Director on account of directors' fees, the number of Remuneration Shares to be issued to each Director or former Director (or their nominees) in lieu of cash payment, and the basis for the calculation of this is set out in the table below.

Resolution	Director/ Former Director	Position	Fees Owed \$AUD	one month VWAP \$AUD (1)	Number of Shares	Notional Value \$AUD
7	M Billing	Director	40,000	0.000418	95,693,780	40,000

<sup>2</sup> Paul Johnson received 250,000,000 warrants in lieu of Directors fees for one year from the date of his appointment on 2 September 2016, as approved by shareholders at a General Meeting held 6 October 2016.

The above table does not include Resolution 9, the proposed issue of 47,846,890 to Mr Greg Durack, a former Director, having resigned 4 March 2016.

If approved by shareholders, the number of Resultant Shares held following the issue of shares pursuant to Resolutions 7 to 12 inclusive, will be subject to the proposed Capital Reorganisation proposed by Resolutions 13, 14 and 15. As such, if Resolutions 13, 14 and 15 are approved by shareholders, the number of Resultant Shares held, as presented in the above table, will reduce by a factor of 25:1 following the Capital Reorganisation (subject to rounding down for fractional entitlements). However, as the proposed Capital Reorganisation applies equally to all Existing Shareholders, the Resultant Shares held as a percentage of issued capital will remain as presented in the above table.

22. In accordance with ASX Listing Rule 10.13, the following information is provided to Shareholders in relation to Resolutions 7 to 12 (inclusive):
- up to a total of 446,570,973 Remuneration Shares will be issued to Directors, or former Directors (or their respective nominees) in the proportions specified in the table above (in the case of Resolutions 7 to 11 inclusive, 430,622,010 of those Remuneration Shares are to be issued to CHESS Depository Nominees Pty Ltd, to be held by the relevant Directors, former Directors or their nominees in the form of CDIs);
  - the Remuneration Shares will be issued within one month of this Meeting;
  - the Remuneration Shares will be issued at a deemed issue price of A\$0.000418 (0.0418 cents) per Remuneration Share (being the one month VWAP for AIM traded Shares through to 10 October 2016 of £0.000256, converted to AUD at the exchange rate of 0.6119 at 10 October 2016);
  - the Remuneration Shares will be fully paid and will rank equally in all respects with existing Shares, and application will be made for their quotation on AIM and (in the case of the CDIs issued in respect of the Remuneration Shares) ASX;

- e. a voting exclusion statement for Resolutions 7 to 12 (inclusive) is included in the Notice of Annual General Meeting; and
  - f. no funds will be raised by the issue of Remuneration Shares although the Company's liability to the Directors in relation to their remuneration will be satisfied by the issue.
23. If Resolutions 7 to 12 (inclusive) are passed (and approval is therefore obtained for the purposes of ASX Listing Rule 10.11), further shareholder approval is not required under ASX Listing Rule 7.1, and the securities issued pursuant to Resolutions 7 to 12 (inclusive) will not be included in the calculation of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

#### **Notes to Resolution 14**

24. The Company proposes to consolidate its share capital through the conversion of every twenty five Shares into one Share, pursuant to section 618 of the Companies Act (2006). Under the Act a Company may sub-divide or consolidate all or any part of its share capital where it has been authorised to do so by a resolution of its members.
25. The Company has a large number of Shares on issue due to historical equity-based capital raisings and corporate transactions. The number of Shares is disproportionate to the Company's exploration peers, so the Company proposes to reduce this number by way of this Share consolidation.
26. The effect of the Consolidation, if approved by Shareholders, is as follows:
- a. The number of Shares on issue will be reduced from approximately 7,482 million to approximately 299 million. As the consolidation applies equally to all Shareholders, individual Shareholdings will be reduced in the same ratio as the total number of Shares (subject only to the rounding of fractions). It follows that the consolidation will have no material effect on the percentage interest of each individual Shareholder in the Company. The aggregate value of each Shareholder's holding (and the Company's market capitalisation) should not materially change (other than minor changes as a result of rounding) as a result of the Share consolidation alone (that is assuming no other market movements or impacts occur). However, the effect on the price per Share at the time of conversion should be to increase it to reflect the reduced number of Shares on issue. Assuming no other market movements occur for reasons other than the consolidation, a share will theoretically trade at twenty five times the price at which it previously traded.
  - b. As each CDI on issue is a unit of beneficial ownership in an issued Shares registered in the name of CHESS, the effect of the consolidation of the issued Share capital will be to consolidate the issued CDIs in the same ratio (ie, every 25 CDIs held will consolidate into one CDI (with fractions rounded down to the nearest whole CDI)). Otherwise, the effects of the consolidation on CDIs and holders of CDIs will be the same as for Shares and holders of Shares, as detailed in paragraph a above.
  - c. In accordance with Listing Rule 7.22 upon the consolidation of Shares taking effect, the number of Options (termed Warrants in the United Kingdom) on issue are required to be consolidated in the same ratio as the Shares and their exercise price must be amended in inverse proportion to that ratio. Accordingly, the approval of Resolution 14 will have a flow on effect for all Options issued by the Company.
  - d. From the effective date of the consolidation, all holding statements for Shares and CDIs will cease to be accurate and the Company will arrange for new holding statements to be issued to holders of Shares and CDIs. Pending receipt of new holding statements, it is the responsibility of Shareholders and CDI holders to check the number of post consolidation Shares or CDIs (as applicable) held by them prior to any sale or other dealings.

27. The effect of the consolidation on the Company's capital structure, including CDIs and Options, is as follows<sup>1</sup>:

Securities	Pre-Consolidation		Post Consolidation	
	Number	Exercise Price	Number	Exercise Price
Ordinary shares (AIM)	5,159,670,491	-	206,386,820	-
CDIs (ASX)	2,322,717,019	-	92,908,681	-
Unlisted Options (01/12/18)	1,200,000,000	£0.0005	48,000,000	£0.0125
Unlisted Options (02/09/19)	250,000,000	£0.0005	10,000,000	£0.0125
Unlisted Options (11/04/19)	1,346,000,000	£0.0005	53,840,000	£0.0125
Unlisted Options (05/03/19)	400,000,000	£0.0005	16,000,000	£0.0125

<sup>1</sup> This assumes no further securities are issued, no CDIs converted to Shares, no Shares are converted to CDIs, and none of the existing Options are exercised or lapse between the date of this Notice of Annual General Meeting and the date the consolidation takes effect, and does not take into account to the impact of rounding.

28. The timetable for the consolidation if Resolution 14 is approved is as follows:

Event	Date *
Company announces Consolidation and sends Notice of Annual General Meeting to shareholders	27/10/2016
Company advises the ASX that shareholders have approved the Consolidation	25/11/2016

Last day for the Company to enter post consolidated holdings into holder's Security holdings and send holding statements and new certificates to Securityholders. Deferred settlement market ends	7/12/2016
Normal trading starts following consolidation	8/12/2016

\* Indicative and subject to change in accordance with the ASX Listing Rules.

29. Securityholders are encouraged to seek and rely only on their own professional advice in relation to their tax position. Neither the Company nor any of its officers, employees or advisors assumes any liability or responsibility for advising Securityholders about the tax consequences for them from the proposed consolidation. The consolidation will occur through the conversion of every twenty five Shares into one Share. No capital gains tax event is expected to occur as a result of the consolidation and therefore there should be no taxation implications arising for Securityholders.
30. Fractional entitlements, which will occur where a Securityholder holds an odd number of securities which cannot be evenly divided by twenty five, will be rounded down to the nearest whole security.

## Notes to Resolutions 13 and 15

31. The Consolidation of the Company's securities proposed by Resolution 14, as detailed in the Explanatory Memorandum above, is subject to Shareholder approval of Resolutions 13 and 15.
32. Resolutions 13 and 15 are proposed to ensure that, post consolidation of the Company's securities the nominal value of the Company's ordinary shares remains at its existing amount of 0.01p.
33. Resolution 13 if approved by shareholders will reduce the nominal value of the Company's ordinary fully paid shares by a factor of 25, from 0.01p to 0.0004p, effective immediately prior to the share consolidation proposed by Resolution 14. The share consolidation would then reduce the number of ordinary fully paid shares of the Company through the conversion of every twenty five Shares at a nominal value of 0.0004p into one Share at a nominal value of 0.01p.
34. Resolution 13 achieves the above through a sub-division of the existing ordinary fully paid shares to create two classes of shares:
  - (i) Ordinary shares with a nominal value of 0.0004p; and
  - (ii) deferred shares with a nominal value of 0.0096p ("A Deferred Shares").
35. Subject to the provisions of the Companies Act 2006, the A Deferred Shares may then be cancelled by the Company; or may be bought back by the Company for £1 and then cancelled as permitted under the amended articles, leaving the number of shares on issue the same as at the date of sending out this notice (except for shares subsequently issued). If the Company determines to cancel or buy back the deferred shares, it will advise Shareholders accordingly at the relevant time.
36. The A Deferred Shares shall not be quoted and no share certificates will be issued in respect of the same. The A Deferred Shares are effectively valueless. (The A Deferred Shares are required to be issued in order for the aggregate par value of the shares once sub-divided to remain at 0.01p).
37. The A Deferred Shares constitute a new class of share, the creation of which necessitates an amendment to the Company's articles of association. Resolution 15 in the accompanying notice of general meeting seeks approval to amend the Company's articles to create that new class of share.

## Notes to Resolution 17

### General

38. ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital in accordance with the terms set out below (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.
39. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of A\$300 million or less. The Company's market capitalisation as at 10 October 2016 was approximately A\$7,482,387 (7,482,387,510 Ordinary Shares, based on the ASX closing price of A\$0.001 per share). Further, the Company is not included in the S&P/ASX 300 Index, and is therefore an eligible entity for the purposes of ASX Listing Rule 7.1A.
40. The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. Resolution 17 therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

41. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2, which is set out below.
42. It is the Company's intention that funds received under the 10% Placement Facility will be used to supplement the Company's working capital requirements, for continued exploration and feasibility study expenditure on the Company's current assets and undertake further transactions to acquire new assets or investments should the Directors determine this to be in the best interests of the Company.
43. The Directors of the Company believe that Resolution 17 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of Resolution 17.
44. No Director or Related Party will participate in any issue under the 10% Placement Facility unless specific approval is obtained for the purposes of ASX Listing Rule 10.11.

ASX Listing Rule 7.1A

45. *Shareholder approval* – the ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.
46. *Equity Securities* – any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of this Notice of Annual General Meeting, has on issue two quoted classes of Equity Securities: Shares quoted on ASX (as CDIs); Shares quoted on London Stock Exchange AIM market.
47. *Formula for calculating 10% Placement Facility* – ASX Listing Rule 7.1A.2 provides that eligible entities who have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting at which shareholder approval was obtained, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where:

“A” is the number of shares on issue 12 months before the date of issue or agreement:

- i. plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- ii. plus the number of partly paid shares that became fully paid in the 12 months;
- iii. plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rule 7.1 or 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- iv. less the number of fully paid shares cancelled in the 12 months.

“D” is 10%

“E” is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

48. *ASX Listing Rule 7.1 and ASX Listing Rule 7.1A* – the ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity’s 15% placement capacity under ASX Listing Rule 7.1. As at the date of this Notice of Annual General Meeting, the Company has available to it the full 15% placement capacity.

As at the date of this Notice of Annual General Meeting, the Company has on issue 7,482,387,510 Ordinary Shares and therefore has a capacity to issue:

- i.  $(7,482,387,510 \times 0.15) = 1,122,358,126$  Equity Securities under ASX Listing Rule 7.1; and
- ii.  $(7,482,387,510 \times 0.10) = 748,238,751$  Equity Securities under ASX Listing Rule 7.1A (subject to shareholder approval being obtained under Resolution 17).

Subject to shareholder approval of Resolutions 6, 7 to 12 inclusive and 18, the Company will issue 446,570,973 Ordinary Shares, increasing the Company’s issued capital to 7,928,958,483. If this occurs, the Company will have capacity to issue:

- i.  $(7,928,958,483 \times 0.15) = 1,189,343,772$  Equity Securities under ASX Listing Rule 7.1; and
- ii.  $(7,928,958,483 \times 0.10) = 792,895,848$  Equity Securities under ASX Listing Rule 7.1A (subject to shareholder approval being obtained under Resolution 17).

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue or agreement to issue (as the case may be) Equity Securities in accordance with the formula set out above.

49. *Minimum Issue Price* - The issue price of Equity Securities issued under Listing Rule 7.1A must not be less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- i. the date on which the price at which the Equity Securities are to be issued is agreed; or
- ii. if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

The Company may also issue Equity Securities under the 10% Placement Facility as consideration for the acquisition of a new asset, in which case the Company will release to the market a valuation of those Equity Securities that demonstrates that the issue price of the securities complies with the rule above.

50. *10% Placement Period* – Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- i. the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- ii. the date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking)

**(10% Placement Period).**

Specific Information required by ASX Listing Rule 7.3A

51. Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than the price calculated in accordance with paragraph 49 above.
- (b) If Resolution 17 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, existing Shareholders may be subject to both economic and voting power dilution. There is a risk that:
  - i. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of this Meeting;
  - ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities; and
  - iii. the Equity Securities may be issued as part of consideration for the acquisition of a new asset, in which case, no funds will be raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Ordinary Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- i. two examples where variable "A" has increased, by 50% and 100%. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable "A" in ASX Listing Rule 7.1A.2		Dilution		
		A\$0.0005 50% decrease in Issue Price	A\$0.001 Issue Price	A\$0.002 100% increase in Issue Price
<b>Current variable "A"</b> <b>7,482,387,510 Ordinary Shares</b>	<b>10% Voting Dilution</b>	748,238,751 Ordinary Shares	748,238,751 Ordinary Shares	748,238,751 Ordinary Shares
	<b>Funds Raised</b>	\$ 374,119	\$ 748,239	\$ 1,496,478
<b>50% increase in current variable "A"</b> <b>11,223,581,265 Ordinary Shares</b>	<b>10% Voting Dilution</b>	1,122,358,127 Ordinary Shares	1,122,358,127 Ordinary Shares	1,122,358,127 Ordinary Shares
	<b>Funds Raised</b>	\$ 561,179	\$ 1,122,358	\$ 2,244,716
<b>100% increase in current variable "A"</b> <b>14,964,775,020 Ordinary Shares</b>	<b>10% Voting Dilution</b>	1,496,477,502 Ordinary Shares	1,496,477,502 Ordinary Shares	1,496,477,502 Ordinary Shares
	<b>Funds Raised</b>	\$ 748,239	\$ 1,496,478	\$ 2,992,955

The table has been prepared based on the total number of Ordinary Shares on issue at the date of the Notice, and on the following assumptions:

- i. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
  - ii. None of the unlisted options that the Company currently has on issue are exercised before the date of the issue of the Equity Securities.
  - iii. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue, assuming variable A is equal to the total issued share capital. This is why the voting dilution is shown in each example as 10%.
  - iv. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
  - v. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1. Dilution experienced by Shareholders may be greater if issues have been made utilising the capacity in Listing Rule 7.1 as well.
  - vi. The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
  - vii. The current market price of CDIs of AUD\$0.001, being the closing price of the CDIs on ASX at 10 October 2016.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 17 for the issue of Equity Securities will cease to be valid in the event that Shareholders approve a transaction for the purposes of ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- i. non-cash consideration for the acquisition of the new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3; or
  - ii. cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- i. the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
  - ii. the effect of the issue of the Equity Securities on the control of the Company;
  - iii. the financial situation and solvency of the Company; and
  - iv. advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new investors who are not Related Parties of the Company or their associates.

Further, if the Company is successful in acquiring new assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

If Resolution 17 is approved by Shareholders, the Company will issue Equity Securities under the 10% Placement Facility during the Placement Period, as and when the circumstances of the Company require.

- (f) The Company previously obtained Shareholder approval under Listing Rule 7.1A at the 2015 annual general meeting. In the 12 months preceding the date of this Meeting, the Company issued a total number of 6,998,898,014 Equity Securities, representing 143.5% of the total number of Equity Securities on issue at the commencement of that 12 month period. The details of all issues of Equity Securities in the 12 months preceding the date of this Meeting are set out in Annexure A to these explanatory notes.
- (g) The Company will disregard any votes cast on Resolution 17 by a person who may participate in the 10% Placement Facility and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of Shares, if Resolution 17 is passed, and any of their respective associates.

However, the Company will not disregard a vote if:

- i. it is cast by the person as proxy for a person who is entitled to vote, in accordance with directions on the proxy form; or
- ii. it is cast by the Chairman as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. Assuming that does not change, no existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

- 52.** The Directors recommend that Shareholders vote in favour of Resolution 17 as they themselves intend to do. The Chairman intends to vote undirected proxies in favour of Resolution 17.
