## SPRING HILL SALE SETTLEMENT COMPLETION

The Board of Thor Mining Plc ("Thor" or the "Company") (AIM, ASX: THR) is pleased to advise of the completion of the sale process of the Company's residual interest in the Spring Hill Gold project.

Formal documents for completion have been executed and final settlement funds of A\$1,500,000 have been received.

**Mr Mick Billing, Executive Chairman, commented:**

*"We are very pleased with the completion of the Spring Hill sale agreement. The A\$1,500,000 in final consideration received will allow us to accelerate our exciting exploration programmes, commencing with the Pilot Mountain drilling program, due to commence within the next two weeks, and the new drilling programme planned at the Dundas gold project in the first half of 2017."*

*"The strengthened balance sheet will also provide us with much greater financing flexibility as we continue to assess new project opportunities."*

*Based upon work done to date, we believe that PC Gold plan to advance the Spring Hill gold project into production in the medium term, an outcome which would generate a potentially substantial royalty stream for Thor."*
