Dear Shareholder

Notice of General Meeting

On 17 May 2016 the Company announced the placement of a total of 1,200,000,000 Shares with 1,200,000,000 Warrants attached, to placees identified by SI Capital Ltd, to raise a total of £300,000 before expenses (the “**Placement**”). On 1 June 2016 the Company issued and allotted the first tranche of those securities, comprising 336,000,000 Shares with 336,000,000 Warrants (“**Tranche 1 Securities**”). The issue and allotment of the remaining 864,000,000 Shares and 864,000,000 Warrants (“**Tranche 2 Securities**”) is subject to obtaining Shareholder approval for the purposes, *inter alia*, of ASX Listing Rule 7.1.

Resolutions 1 and 2 provide the directors with the necessary authorities to issue equity securities and dis-apply pre-emption rights up to an aggregate nominal amount of £400,000. Resolutions 3 and 4 are sought for the purposes of the ASX listing rules for the issue of Warrants and/or Shares. Further information is provided in the explanatory notes to the notice.

The directors of Thor believe that these proposals are in the best interest of the Company and recommend that shareholders vote in favour of the Resolutions at the General Meeting, as they intend to do in respect of their own holdings of 553,118,118 Shares representing 11.4 per cent of the Company's issued share capital.

Yours faithfully

Notes to the Notice of General Meeting

Notes to Resolution 1 – Authority to allot shares

Subject to a limited number of exceptions, the directors of a company must not allot shares unless they have the authority to do so under section 551 of the Act. An authority to allot shares in relation to a public company must always be granted under Section 551 of the Act. Authority to allot shares pursuant to section 551 can be granted by either a provision in the articles of association of the company or by ordinary resolution passed by the members of the company.

An authority to allot given under section 551 must specify the maximum amount of shares that may be allotted under it. If the authority relates to the grant of rights to subscribe for shares, it must state the maximum amount of shares that can be allotted under those rights (section 551 (6), the Act). The authority must also specify an expiry date, which must not be more than five years from the date the resolution containing the authority is passed.

Once a section 551 authority to allot has expired, the directors may, if specifically permitted by the terms of the expired authority, allot shares or grant rights to subscribe for or to convert any security into shares pursuant to an offer or agreement made by the company before the authority expired (section 551 (7), the Act).

Notes to Resolution 2 – Disapplication of pre-emption rights

Under section 561 of the Act, a company proposing to allot equity securities must first offer them to each holder of ordinary shares in the company pro rata to his existing shareholding. This pre-emption right applies to any allotment of equity securities unless either: (i) one of the exceptions set out in section 564 to section 566 of the Act applies or; (ii) the company excludes or dis-applies the statutory pre-emption rights by one of the permitted methods set out in sections 569 to 573 of the Act.

If the directors of a company are generally authorised to allot shares under section 551 of the Act, they may also be given the power to allot shares under that general authorisation as if the pre-emption provisions in section 561 did not apply (section 570). As a disapplication of the statutory pre-emption right under section 570 works in combination with the authority to allot shares under section 551, the special resolution dis-applying the statutory pre-emption right cross-refers to the corresponding authority to allot.

General Notes to Resolutions 3 and 4 – ASX Listing Rule Requirements

ASX Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for the issue of equity securities if the equity securities will, when aggregated with the equity securities issued by a company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12 month period.

At the Company's annual general meeting on 26 November 2015, the Company obtained Shareholder approval to have the additional capacity to issue equity securities comprising up to 10% of the issued capital of the Company pursuant to ASX Listing Rule 7.1A.

ASX Listing Rule 7.4 provides that an issue by a company of equity securities made without prior approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's members subsequently approve it.

Notes to Resolution 3 – Ratification of issue of Shares and Warrants

The Company seeks approval for the purposes of ASX Listing Rule 7.4 to the issue and allotment on 1 June 2016 of the Tranche 1 Securities, such that those Shares and Warrants will not be counted towards the 15% limit on the issue of securities without Shareholder approval pursuant to ASX Listing Rule 7.1, or the 10% limit on the issue of securities without Shareholder approval pursuant to ASX Listing Rule 7.1A. If Resolution 3 is passed then those Shares and Warrants will be deemed to have been issued with Shareholder approval and will, therefore, not be counted towards the aforementioned 15% limit or 10% limit.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders in respect of Resolution 3 for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) a total of 672,000,000 securities were issued on 1 June 2016, comprised of 336,000,000 Shares and 336,000,000 attached Warrants;
- (b) the Shares were issued at an issue price of 0.025 pence per Share and the Warrants were issued for no consideration on the basis of one Warrant for each one Share subscribed for under the placement;
- (c) the Shares were allotted as fully paid and ranked equally with the existing Shares on issue at the time of allotment. The Warrants were issued on the terms set out in Annexure A to these explanatory notes.
- (d) the Shares and Warrants were issued and allotted to placees identified by SI Capital Ltd;
- (e) the funds raised will be applied to the general operating costs of the business; and
- (f) a voting exclusion statement is included in the Notice of General Meeting.

Notes to Resolution 4 – Approval for issue of Shares and Warrants

The Company seeks approval for the purposes of ASX Listing Rule 7.1 to the issue and allotment of the Tranche 2 Securities. The placement of the Tranche 2 Securities is conditional upon the passing of this Resolution. If this Resolution is passed then the Tranche 2 Securities will be issued with Shareholder approval such that those securities will not be counted towards the 15% limit on the issue of securities without Shareholder approval pursuant to ASX Listing Rule 7.1, or the 10% limit on the issue of securities without Shareholder approval pursuant to ASX Listing Rule 7.1A. If Shareholder approval is not obtained the Company will be unable to complete the placement of the Tranche 2 Securities.

ASX Listing Rule 7.3 requires that the following information be provided to Shareholders in respect of this Resolution for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 7.1:

- (a) a maximum of 1,728,000,000 securities (comprised of 864,000,000 Shares and 864,000,000 attached Warrants) will be issued;
- (b) the Shares will be issued at an issue price of 0.025 pence per Share and the Warrants will be issued for no consideration on the basis of one Warrant for each one Share subscribed for under the placement;
- (c) the Shares and Warrants will be issued and allotted to placees identified by SI Capital Ltd. None of the placees are related parties of the Company;
- (d) the Shares comprised in the Tranche 2 Securities will be issued and allotted as fully paid and will rank equally with existing Shares on issue. The Warrants comprised in the Tranche 2 Securities will be issued on the terms set out in Annexure A to these explanatory notes.

- (e) the funds raised will enable the Company to progress its Molyhil tungsten project where it is proposed to test for tungsten mineralisation at selected targets very close to Molyhil. The Placing will also provide the Company with additional working capital;
- (f) the Company intends to issue the Tranche 2 Securities as soon as practicable following the date of the General Meeting and no later than three months after the date of the General Meeting; and
- (g) a voting exclusion statement is included in the Notice of General Meeting.

Entitlement to attend and vote

Pursuant to Regulation 41 of The Uncertificated Securities Regulations 2001 and paragraph 18(c) of The Companies Act 2006 (Consequential Amendments) (Uncertificated Securities) Order 2009, the Company specifies that only those members registered on the Company's register of members 48 hours before the time of the General Meeting shall be entitled to attend and vote at the General Meeting. In calculating the period of 48 hours mentioned above no account shall be taken of any part of a day that is not a working day.

Appointment of proxies

If you are a member of the Company at the time set out in note 1 above, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the meeting and you should have received a proxy form with this notice of meeting. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.

A proxy does not need to be a member of the Company but must attend the meeting to represent you. Details of how to appoint the Chairman of the meeting or another person as your proxy using the proxy form are set out in the notes to the proxy form. If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.

You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please contact the Company at Computershare Investor Services in the UK (refer to page 5 for contact details).

A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

Appointment of proxy using hard copy proxy form

The notes to the proxy form explain how to direct your proxy how to vote on each resolution or withhold their vote.

To appoint a proxy using the proxy form, the form must be:

- Completed and signed;
- Sent or delivered to the Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY; and
- received by the Computershare Investor Services PLC no later than 9:00 am (London time) on 21 June 2016, or 48 hours before the time of any adjourned meeting (excluding any part of a day that is not a working day).

In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

Appointment of proxy by joint members

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Computershare Investor Services in the UK (refer to page 5 for contact details).

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointments

In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY.

In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

In either case, the revocation notice must be received by the Company Secretary or Computershare Investor Services PLC no later than 48 hours (excluding non-business days) prior to the meeting.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

Appointment of a proxy does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.
