Competent Person's Statement

The information in this report that relates to exploration results, mineral resources or ore reserves is based on information compiled by Trevor Ireland, who is a Fellow of The Australasian Institute of Mining and Metallurgy. The services of Mr Ireland are engaged by Thor Mining PLC on a contractual basis. Trevor Ireland has sufficient experience which is relevant to the style of mineralisation and type of deposit under consideration and to the activity which he is undertaking to qualify as a Competent Person as defined in the 2004 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'. Trevor Ireland consents to the inclusion in the report of the matters based on his information in the form and context in which it appears.

Forward looking statements

All statements, other than statements of historical fact, contained in this release constitute "forward looking statements". Such forward-looking statements are based on assumptions and estimates and involve risks, uncertainties and other factors that may cause the actual results, financial condition, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. New factors may emerge from time to time that could cause the Company's business not to develop as it expects. It is not possible for the Company to predict all such factors. The Company makes no undertaking to subsequently update any such forward-looking statements in this release to reflect future events or developments.
